Areas of Intervention

European Cooperation Projects 2025 support initiatives in the cultural and creative sector, developed by a consortium of at least 3 entities from 3 countries participating in the Creative Europe Program.

They cover all cultural and creative sectors, except for projects exclusively in the audiovisual sector or with exclusively audiovisual content, which are not eligible.

They must have a cross-border cooperation dimension, which is central for the approval of proposals.

Objectives:

Projects must contribute to one of these objectives:

- Transnational creation and circulation: strengthening the transnational creation and circulation of European works and artists;
- Innovation: increasing the capacity of Europe's cultural and creative sectors to nurture talent, innovate, thrive and generate jobs and growth.

Maximum Duration

4 Years
